PART I.

Notifications by the Dewan to His Highness the Maharaja of Mysore.

GENERAL.

NOTIFICATIONS.

The 5th June 1886.

No. 90.—The orders for the partial remission of assessment on wet lands contained in paras 6 *et seq* of Dewan's Proceedings No. 4461—123, dated 29th August 1881, and in Dewan's Proceedings No. 7162-9—219, dated 7th December 1881, are cancelled, and in lieu thereof, the following rules are sanctioned for adoption from the current year 1886—87. These rules will also apply to all wet lands cultivable with vaisakha crops in the current season, whether the land revenue on account of the same is creditable to the accounts of 1885—86 or 1886—87.

I. Dewan's Notification No. 151 of the 30th August 1881 is hereby cancelled with effect from 1st April 1886.

II. When by breaching or any other accident, a tank or other work of irrigation becomes not available for irrigation, no remission of the wet assessment on lands situated under such tank or other work shall, as a rule, be granted for the official year during which the breach or accident occurs. Special cases, in which the Deputy Commissioner may think some remission of assessment necessary during such year, should be submitted for the orders of the Dewan.

III. But, for the second and succeeding years during which the tank or other work may remain unrestored and unavailable for irrigation, a temporary reduced assessment of half the full wet assessment shall alone be levied as 'Bengar' kandayam, the remaining half being shown in the accounts as a remission, without reference to any dry crops which may be raised.

IV. Lands which, by their situation, are capable of being cultivated with wet crops, notwithstanding the breach or other accident, shall not be entitled to the reduction of assessment referred to in the preceding rule.

V. In the year following the one in which the breach or other accident occurs, the Deputy Commissioner or one of his Assistants shall, after personal inspection during the cultivation season, decide once for all what lands are entitled to the reduced temporary assessment under Rule III.

VI. This temporary reduced assessment shall be adopted at each jamabandi settlement, till the irrigation work is again made efficient by the Government, a statement in the accompanying form being submitted to the Chief Secretary to the Dewan as soon after the close of the jamabandi as possible.

VII. In cases not covered by the foregoing rules, no remission shall be granted without the previous sanction of Government.

VIII. The existing rates of wet assessment have been fixed after a full consideration of the value of the source of irrigation and upon the basis of an average of good and bad seasons. These rates are not liable to be reduced on the ground that the land has been allowed to lie waste.

IX. In exceptional years, it will rest with the Government to direct the grant of special remissions of land revenue for particular tracts suffering from a scanty rain-fall.

Statement of temporary remissions granted under the Dewan's Proceedings No. 2032-41—85, dated 5th June 1886.
